Interview Questions About Weaknesses

- What are your strengths and weaknesses?

Some interviewers will ask you to sum up both strengths and weaknesses in one answer.

If I called your current/previous manager, what would he/she say that you need to work on?

This phrasing is tricky. By planting the idea of calling your current/past manager, the interviewer is trying to subconsciously encourage more honesty. (Some candidates immediately start thinking, "What if he actually calls her?")

Describe your ideal job.

Answers to Typical Interview Questions
